Our History

Cheese Cake Heaven opened its doors in 1995 with a 400 square foot bakery, but the process began much earlier in 1985, when I went on a mission to create a perfect cheesecake.

I spent 3 years of blood, sweat and a lot of tears creating my base cheesecake recipe. From that base recipe, I went on to create over 90 flavors of cheesecakes, all original recipes, all baked from scratch with FRESH eggs and REAL cream.

In 1996 Cheese Cake Heaven incorporated, and I knew I needed more offerings for my customers. I went on to create scratch recipes for muffins, scones, biscotti, cookie, pastries and more! These scratch recipes are still offered today, without compromise.

Later in 2003 I opened my second store in Wisconsin Dells, in the Riverfront Shops. I wanted to offer a larger venue to my customers and the food side of Cheese Cake Heaven was born. I offered a small menu of wraps and sandwiches, just to get started. From 2003 until 2009 I continued to grow and expand my food offerings to my customers in the Wisconsin Dells area. Frozen cheesecake on-a-stick became a reality in this era.

The "I" became "we" in 2004, when my daughter who had been attending culinary school, and living in New York City, came home to enhance the food side of Cheese Cake Heaven. She brought many ideas from the "Big Apple" and with that, her expertise to combine flavors, including the recipe for our made from scratch fresh mayo, which is the base of many of our salads and sandwiches today.

In December of 2004, I closed my 400 square foot bakery. It was a sad day for me, because this was where it all began. I left that small bakery behind to open a 4000 square foot bakery, cafe, deli on Oneida Street in Green Bay. We serve breakfast daily and a full menu of soups, salads, pastas, burgers, sandwiches, wraps, flatbreads and more, made fresh daily. It is just a few blocks from the infamous Lambeau Field, home to the Green Bay Packers. I might add Packer sightings are quite frequent at this location.

Once again, at the season end of 2009, I had to say goodbye to my first location in Wisconsin Dells. I took a lot of fond memories with me and in May of 2010 we opened our new updated Cheese Cake Heaven. It is the same decor as our Green Bay location, our menu includes breakfast and many of the soups, sandwiches, wraps, pastas, burgers, flatbread and our famous "build your own salad" that we offer at our Green Bay deli, including our fresh mayo.

Life's a journey I always say. As we continue on our journey and you on yours, we invite you to come in to Cheese Cake Heaven today. Relax, enjoy and savor the flavors!! We look forward to serving you!!
